KSA DEVOLVES FOUNDER'S DAY

The Chief Commissioner Mr. Ray Charles Musau after laying a wreath at BP's grave site, during this year's Founders' Day Celebrations in Nyeri. To the left Mr. F. T. Kamakama Director, the Africa Region Office.

The national leadership of KSA has devolved Founderee Camp and Founder's day celebrations to the counties. Different Counties will henceforth host Founder's day celebrations in their respective counties, giving more Scouts the opportunity to attend the event within safe and manageable distance.

Devolved Founderee camps will be organized by County Scout leaders and will take place simultaneously with national celebrations in Nyeri.

"Do your best to create a better world" was the message delivered to Scouts gathered in Nyeri on 22nd February,

2015 to celebrate 158th birthday of their Founder Sir Robert Baden Powell. Mr. Musau, the Associations Chief Commissioner urged Scouts to remain true to their promise and continue being valuable members of their communities and society as a whole.

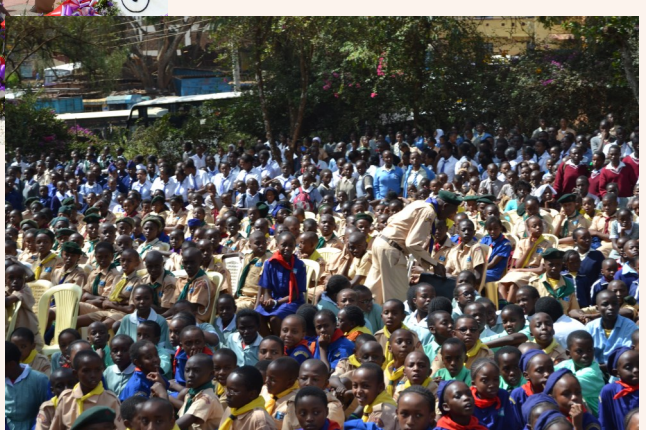

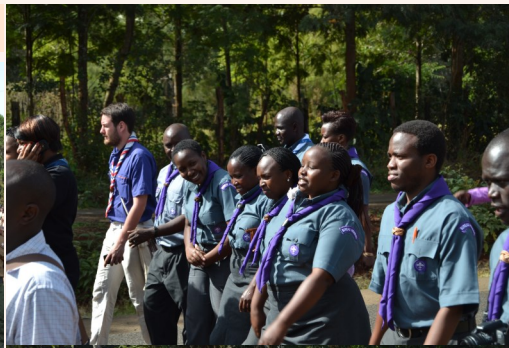

Mr. Kamakama the Director Africa Region Office, urged Scouts to emulate the life of BP emphasizing on his role as a peace maker, his dedication to young people and his selflessness nature. This he said is means of acquiring happiness in life. He thanked the Kenya Scouts Association for being committed in ensuring that

Scouts in the country and the region as a whole are equipped with skills and knowledge to enable them become useful members of the society.

Teams invited to participate in the national Scouts celebrations in Nyeri, had been evaluated and emerged victorious during zonal, County and Cluster competitions. During the Founderee, the teams were subjected to further testing of their knowledge and application of the youth program. They also got the opportunity to network and share with Scouts from other parts of the country.

The devolution of Founderee and Founder's day celebrations is also aimed at increasing visibility of scouting in their respective communities.
